

## A detailed black and white line drawing of a whimsical forest scene, designed as a search-and-find activity. The scene is filled with various characters and objects, each circled in red. In the top left, a small bird is perched on a branch. Below it, a gnome is pushing a wheelbarrow. To the right, a large tree has a small animal (possibly a squirrel or chipmunk) on its branch. In the center, a gnome stands near a small house. To the right of the center, a gnome is holding a lantern. Further right, a gnome is walking towards a small house. In the bottom left, a gnome is standing near a large house. To the right of the bottom left, a gnome is holding a lantern. In the bottom center, a gnome is standing near a small house. To the right of the bottom center, a gnome is holding a lantern. In the bottom right, a gnome is standing near a small house. The scene is filled with various other elements like mushrooms, flowers, and a sun in the sky.
